

CertKit: Oracle Database 12c: Installation and Administration (1Z0-062)

The Oracle Database 12c: Administration Workshop will teach you about the Oracle Database architecture. You will discover how to effectively manage an Oracle Database instance, configure the Oracle Network Environment, and perform database maintenance.

Prerequisites:

Working knowledge of SQL and use of PL/SQL packages.

Course outcome:

- Monitor the Database
- Manage Database Performance
- Implement Database Auditing
- Schedule Jobs to Run Inside or Outside of the Database
- Configure Oracle Net Services
- Configure your Database for Backup and Recovery Operations
- Describe Oracle Database Architecture
- Manage the Oracle Database Instance
- Manage Oracle Database Storage structures
- Create and Administer User Accounts

Who should attend:

- Database Administrators
- Data Warehouse Administrators

CertKit content:

- E-learning courses:
 - Managing an Oracle Database 12c Instance
 - Connectivity and Space Management in Oracle Database 12c
 - User Security and Auditing in Oracle Database 12c
 - Backing Up, Recovering, Importing, and Exporting Data in Oracle Database 12c
 - Database Maintenance and Performance Tuning in Oracle Database 12c
 - SQL Tuning, Resource Management, and Job Scheduling in Oracle Database 12c
- TestPrep Exam simulation
- Tips & Tricks
- Practice Labs (option)
 - The Oracle-1Z0-062 Practice Lab will provide you with the necessary platform to gain hands on skills in Oracle. By completing the lab tasks, you will improve your practical skills in Database Management Tools, Database instances, Configuring Oracle Network Environments, Managing Database Storage Structures, Administering User Security, Managing Space, Undo Data and Data Concurrency, implementing Database Audits, Performing Database Maintenance, Configuring Backup and Recovery, Installing Oracle and Creating and Upgrading Oracle Databases. These same tasks will help you understand the objectives and competencies required by the Oracle 1Z0-062 certification exam.
